Project 35 Facts

EU CBRN CoE Project 35 began in January 2014 and is expected to be completed by July 2017.

The Project has 2 phases;

- a) Inventory phase - fact finding
- b) Awareness raising and training for
 - The General Public
 - All stakeholders in the Management of Hazardous Chemical & Biological Waste
 - Laboratory Scientists and Technicians

The Project is inter-connected with 14 other CBRN CoE projects and is coordinated with other actors in his field such as the United Nations Environment Programme (UNEP) and the World Health Organisation (WHO).
